Re: Estate of Vivian Maier
Our Ref: 32393/10001

Dear Mr. Bea,

We understand that your client, Jeffrey Goldstein, has consummated a sale of the Maier negatives in his possession. Pursuant to our preservation letter dated August 20, 2014, Mr. Goldstein is hereby put on notice that any transfer of the physical objects or any documents related to them would violate his obligations to retain these materials in advance of potential litigation and could constitute spoliation of evidence with its attendant consequences. Please confirm immediately that your client retains possession and will not transfer possession unless and until the dispute between him and the Maier Estate is resolved.

Sincerely,

James E. Griffith
